

Clark CD Project TOUR

Wednesday, July 19, 2006

1:00 p.m.-4:30 p.m.

**Bus leaving from Red Lion Hotel
100 Columbia Street, Vancouver, WA
360-693-8341**

Features of the tour will include:

- **Center for Agriculture, Science, and Environmental Education (C.A.S.E.E.)**

This Battle Ground School District campus has a unique program for high school students for science and environmental education located on 80 acres in Brush Prairie.

- **Lagler Dairy Farm**

Dennis Lagler is one of the few dairyman left in Clark County. CCD recently assisted Dennis with the AFO/CAFO cost share. He also participated in the Dairy Waste Grant years ago.

- **Johnson Project**

This instream stabilization and riparian restoration project was funded through Ecology, CREP, Water Quality Implementation Grant, Engineering Grant, and Clark Public Utilities.

- **Svendsen Horse Farm**

Sue Svendsen is participating in EQIP and CCD cost share on her 6 acres in Vancouver. Sue is also President of the Clark County Executive Horse Council and will be on hand to discuss small acreage opportunities and trends in Clark County.

Then join us for the:

INTERACTION DINNER

WITH THE WASHINGTON STATE CONSERVATION COMMISSION
